

DAY PROGRAM PACKING LIST

**! WRITE THE STUDENT'S
NAME ON EVERYTHING**

Although the days in Colorado are typically sunny and warm, the weather can change rapidly. Frequent afternoon thunderstorms and even rare snow storms make good rain gear and warm clothes a must.

Your student should wear comfortable, well-used clothing appropriate for hiking and playing outdoors in all weather conditions. Synthetic gear like poly, nylon, or wool is recommended over cotton for outdoor activities. Expect your student to have fun and get dirty!
