### SUMMER CONTEST-WIN A TELESCOPE #SCIENCEADVENTURECHALLENGE

KSS magic doesn't stop when you leave our campus. Here are fun at-home activities to get you outside to play and think creatively. New challenges are posted each week and coincide with current Day Camp activities.

Every completed and shared challenge between June 8th and September 30th will give you an entry to win this telescope that we have used on programming. We are only able to ship in the lower 48 states of the US.
