

KSS H2O OUTDOORS PACKING LIST

Mountain weather can be unpredictable, we recommend students bring multiple layers to comfortably adjust to the changing conditions. When selecting clothing, we suggest packing synthetic and non-cotton items. Below you will find a recommended packing list consisting of items required to stay safe and warm during the trip with KSS. The amount of clothing is representative of a typical three-day stay and should be adjusted for longer or shorter trips.

Please note: Instructors will work with the students to ensure they are outfitted properly for mountain conditions. If students do not own the listed equipment, we will lend students items from our gear shed to ensure their comfort and safety during their visit.

How many bags should be packed?

- Overnight Bag** We recommend packing your student's gear, including their sleeping bag and pillow, in one duffel bag or an over the shoulder bag. Students will have to carry their gear from the bus to the dorm.
- Day Pack** Backpack with two arm straps, large enough to carry extra layers, lunch, two water bottles, and a KSS Journal.
- Lunch** Please pack a lunch for your student on the first day, preferably in a reusable lunch bag that fits in his/her day pack.
